### ***Collection of Personal Information***

Edge Services collects personal information from and about individuals for various purposes. In some cases, Edge requests personal information from you, your employer, or through your devices you use to interact with our Services. The personal information Edge processes is transferred to, stored, and processed in the United States or any other country where Edge or its affiliates or subcontractors maintain facilities. Certain Services must disclose information to third parties assisting us in processing a transaction requested by you (e.g., credit card service providers). In addition, Edge may hire service providers to perform work on its behalf. Any such service providers will be permitted to obtain data from the Services

only to deliver the services Edge has retained them to provide and will be prohibited from using data for any other purpose. Examples of personal information may include:

- Identify Data: Which may include first and last name and title;
- Contact Data: Which may include your postal address, email address, and telephone number;
- Log-in Credentials: These may be used to retrieve forgotten credentials;
- Financial Data: Which may include your payment card details and billing address;
- Transaction Data: This includes details about payments to and from you and other details for products and services you have purchased from us;
- Marketing and Communications Data: This includes your preferences in receiving marketing and non-marketing communications from us;
- Employment Data: If you apply for employment with Edge Autonomy Operations, LLC., we will collect your employment and work history, as well as personal information related to your potential employment. This may include your education and employment history, address and contact information, demographic information, and any other information contained in your resume or application;
- Passport of Government Identification Information: This may be used to confirm your identity when applying for employment.

***Use of Information We Collect:***

Edge uses your personal information in a variety of ways, depending on how you interact with Edge, including to:

- For the specific business purposes related to the goods and services we provide;
- To process and deliver customer orders;
- To manage payments, fees, and charges;
- To manage our relationship with you, such as communicating with you about our goods and services, providing customer service, and notifying you of changes to our terms or privacy policy;
- To administer and protect our business and services, including troubleshooting and performing data analysis, testing, system maintenance, support, reporting, and hosting of data;
- To detect, prevent, or otherwise address fraud, security, or technical issues, including by monitoring and enforcing compliance with our terms of use, appropriate use policies, and privacy policies;
- To defend our interest in the event of a dispute;
- To comply in good faith with applicable laws, legal processes, and lawful government requests;
- To understand what may be of interest to you as a customer;
- To deliver relevant news, offers, and other content to you and measure and understand the effectiveness of the content;
- To ask and enable you to take a survey;
- To use data analytics to debug, optimize, and improve our products and services, marketing, customer relationships and experiences;
- To perform an intake and assess your employment application and to contact you regarding the hiring process;
- To provide and administer human resources services for Edge employees;
- Improve user experience;
- Market and advertise our products and services;

- Enable you to share information with social networks and to interact with Edge on social media networks;
- Maintain the integrity of our network and address security issues;
- Investigate or take action regarding violations or suspected violations of law or our terms;
- Comply with legal and/or regulatory requirements.

Edge and our service providers also use the information you provide to send you communications, including promotional messages about Edge and topics of interest, via email, postal mail, SMS, and phone, as permitted by local law and subject to your contact preferences.

When you visit our sites, we may collect certain information by automated means, using web cookies and web server logging.

### ***Collection and Use of Location Data***

The personal information that Edge processes is transferred to, stored, and processed in the United States or any other country where Edge or its affiliates or subcontractors maintain facilities. The data protection laws in these countries are different from and could be less stringent than those in your country of residence. We take steps to ensure that the data we collect under this Statement is processed according to the provisions of this Statement and the requirements of applicable law wherever the data is stored. We may collect personal information about you from the following sources:

- From You – Such as when you subscribe to our publications, purchase an item, request marketing to be sent to you, enter a promotion, complete a survey, or correspond with us by any means. As you interact with our website, we will automatically collect Technical Data about your equipment, browsing actions, and patterns. We collect this data using cookies, server logs, and similar technologies;
- Publicly Available Sources – Such as information that you or your organization make publicly available online.

### ***Information Collected Automatically***

When you visit our website, we may collect certain information by automated means, using technologies such as browser cookies. Cookies are files that websites send to your computer or other internet-connected device to identify your browser uniquely or to store information or settings on your device. Cookie files may be used to recognize you as the same user across different visits to the website. Knowing how a user uses the site through cookies enables us to tailor our content and site to meet customer needs more effectively. It also allows us to improve the quality of your access by ensuring the site is properly formatted for your computer and web browser.

All visitors are prompted to accept/reject cookies on Edge Autonomy websites. Cookies that are accepted are used to record user cookie consent, website formatting, Google site-visitation statistics, and YouTube preferences.

Cookie usage is limited to the Marketing Department and Human Resources Recruiting program.

### ***Third-Party Websites***

We are not responsible for the practices employed by any websites or services linked to or from our website, including their information or content. Your usage and browsing on any such website is subject to that website's owner policies, including the third party's privacy policy. Please review the privacy notices posted on other websites that you may access through our website. We may provide you with additional

or different privacy notices in specific instances that describe how your personal information is collected and used for a specific service.

### ***Whom Do We Disclose Personal Information***

We may disclose your personal information with the following categories of third parties:

- **Our Service Providers:** We may disclose your personal information to our affiliates and service providers for the abovementioned purposes. For example, we may rely on service providers to host and maintain our website, perform backup and storage services, process payments, collect debts, provide customer service, transmit communications, deliver products, and perform analytics services.
- **Government Agencies, Regulators, and Professional Advisors:** When required by applicable law, we may also need to transfer your personal data to government agencies and regulators (e.g., tax authorities, courts, and government authorities) to comply with our legal obligations and to external professional advisors on necessary to defend our legal interests.
- **Organizations Involved in Business Transfers:** If we sell, merge, or reorganize our company, we expect that the personal information that we have collected will be transferred to the surviving entity in accordance with applicable law.

### ***How Do We Protect Personal Information***

We implement and maintain technological, physical, and administrative procedures to protect your personal information from loss, misuse, unauthorized access, disclosure, alteration, and destruction, taking into account the risks involved in the processing and the nature of the personal information.

Although we endeavor to keep information secure, we cannot guarantee that our security measures will prevent every unauthorized attempt to access, use, or disclose personal information. We maintain procedures to deal with any suspected breach of personal information, and we will notify you and any applicable regulator of a breach where we are legally required to do so.

### ***Your Privacy Rights***

Under applicable laws, you may have legal rights to access, update, correct, port, or erase certain personal information that we have about you or restrict or object to how we use it. If you have such rights and your request complies with the requirements under applicable laws, we will give effect to your rights as required by law. For more information regarding rights that may apply to you, please review your specific privacy notice.

### ***California Privacy Notice***

If you are a resident of California, our California Privacy Notice also applies to you (see policy at the end of the Edge Autonomy's Privacy Policy).

### ***Exercise of Rights per the European Union General Data Protection Regulation***

If you are located in the European Economic Area, the United Kingdom, or Switzerland (collectively "EEA+"), our EEA+ Privacy Notice also applies to you.

To exercise any rights you may have under applicable privacy laws, please contact us using the details in the "Contact Us" section below. We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other

rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it.

To opt-out of marketing communications, please email us at [privacy@edgeautonomy.io](mailto:privacy@edgeautonomy.io) or by following the instructions in the email or text. Please note that even if you unsubscribe from certain correspondence, we may still need to contact you with important transactional or administrative information, as permitted by law. Additionally, if you withdraw your consent or object to processing or choose not to provide certain personal information, we may be unable to offer you some or all of our services.

We maintain administrative, technical, and physical safeguards to protect the personal information you provide on the Sites against accidental, unlawful, or unauthorized destruction, loss, alteration, access, disclosure, or use.

### ***Children's Privacy***

We do not knowingly collect or solicit any personal information from children under the age of 16. If we learn that we have collected personal information from a child, we will promptly take steps to delete that information. If you are a parent or legal guardian and think your child has given us their personal information, email us at [privacy@edgeautonomy.io](mailto:privacy@edgeautonomy.io) or contact us using the information listed in the "Contact Us" section below.

### ***Data Retention***

We will retain your personal information for only as long as necessary to fulfill the purposes for which it has been collected or any longer retention period required by applicable Local, State, Federal, or Country law.

### ***Corporate Changes***

In the event of a reorganization, merger, sale, joint venture, assignment transfer, or other disposition of all or any portion of our business or assets, Edge Autonomy is likely to disclose your personal information to the new owners, subject to a requirement that such information be used only in accordance with this Statement, or as otherwise permitted under an applicable agreement.

### ***Contact Us***

You may contact us using the following details:

**Email:** [privacy@edgeautonomy.io](mailto:privacy@edgeautonomy.io)

**Postal Mail:** Edge Autonomy Operations, LLC., Attn: Privacy/Legal, 831 Buckley Road, San Luis Obispo, CA 93401

### ***Statement Revision***

When we modify our Privacy Statement, we will post the updated statement here, with an updated effective date, as indicated below. IF we change the Statement in a material way, we will provide appropriate notice to you.

Effective Date: October 23, 2023

Last Date Updated: October 23, 2023

### C. Sale or Sharing of Personal Information

We do not sell your personal information to third parties in exchange for monetary or other valuable consideration, nor do we share your personal information with third parties for cross-context behavioral advertising.

#### **Data Retention**

Your personal information will be retained as long as necessary to achieve the purposes described above in “How We Use The Information We Collect”, unless we (or our service provider(s)) have to retain the information for a longer period to be able to run regular blocking/deletion routines, to take into account the applicable statute of limitation period, or to comply with a legal retention obligation.

#### **Your Rights and Choices**

We offer you certain choices in connection with the personal information we collect from you. If you are a California resident, the California privacy laws provide you with specific rights regarding your personal information. This section describes such rights and explains how to exercise those rights.

Subject to applicable law, you have the right to request access to and correction or deletion of your personal information. You have the right to receive the requested information in a commonly used machine-readable format to the extent feasible, and to transmit this information to a third-party organization without cost. We will not discriminate against you for exercising any of these rights. You can

exercise these rights by contacting us as indicated in the “How to Contact Us” section below. In addition, you have the right to make a complaint with a data protection authority.

### **How to Submit a Request**

To exercise your right, you must submit a verifiable request to us using one of the means identified in the “How To Contact Us” section below. Only you, or someone legally authorized to act on your behalf, may make a verifiable request for your personal information. You may only submit a request twice within a 12-month period. We do not typically charge a fee to process a verifiable request. If we determine that your request warrants a fee due to its nature, we will explain our rationale for assessing a fee and provide you with a cost estimate before completing your request.

### **Updates to This Statement**

This Statement may be updated periodically and without prior notice to you to reflect changes in our personal information practices. We will post the updated version on our Sites and indicate at the top of the Statement when it was most recently updated.

### **How To Contact Us**

If you have any questions or comments about this Statement or the ways in which we collect and use your information described here, wish to exercise the rights and choices you may have, or want to request this Statement in an alternate form, please contact us using one of the methods described below:

### 3. How Do We Protect Personal Data If We Transfer It Internationally

We may transfer your personal data to service providers and business partners outside of the EEA.

Some of these recipients are located in countries in respect of which either the European Commission and/or UK Government (as and where applicable) has issued adequacy decisions, in which case, the recipient's country is recognized as providing an adequate level of data protection under UK and/or European data protection laws (as applicable) and the transfer is therefore permitted under Article 45 of the GDPR.

Some recipients of your personal data may be located in countries outside the EEA and/or the UK for which the European Commission or UK Government (as and where applicable) has not issued adequacy decisions in respect of the level of data protection in such countries ("Restricted Countries"). For example, the United States is a Restricted Country. Where we transfer your personal data to a recipient in a Restricted Country, we will either:

- Enter into appropriate data transfer agreements based on so-called Standard Contractual Clauses approved from time-to-time under GDPR Art. 46 by the European Commission, the UK Information Commissioner's Office or UK Government (as and where applicable); or
- Rely on other appropriate means permitted by GDPR Ch. V, which establish that such recipients will provide an adequate level of data protection and that appropriate technical and organizational security measures are in place to protect personal data against accidental or unlawful destruction, loss or alteration, unauthorized disclosure, or access, and against all other unlawful forms of processing.

You may ask for a copy of such appropriate data transfer agreements by contacting us using the contact details below.

### 4. How Long Do We Retain Personal Data

We will only keep personal data for as long as reasonably necessary to fulfil the purposes we collected it for. We may keep your personal data for a longer period to comply with our legal obligations or in the event of a complaint or litigation.

## 5. Your Rights

Regarding your personal data, you may have the right to:

- **Request Access** (Commonly known as a "data subject access request") - Enables you to receive a copy of the personal data we hold about you and information about how it is processed.
- **Request Correction** - Enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.
- **Request Erasure** - Enables you to ask us to delete or remove personal data where there is no lawful reason for us continuing to store or process it, where you have successfully exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons that will be notified to you, if applicable, at the time of your request.
- **Object to Processing** - Where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation that makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms.
- **Request Restriction of Processing** - Enables you to ask us to suspend the processing of your personal data if, (i) you want us to establish the data's accuracy; (ii) where our use of the data is unlawful but you do not want us to erase it; (iii) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (iv) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.
- **Request the transfer of your personal data** to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.
- **Withdraw consent at any time** where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent.

To exercise these rights, please contact us using the contact details below.

Although we urge you to contact us first to find a solution for every concern you may have, you always have the right to lodge a complaint with your competent data protection authority.

## 6. Your Choices

You are not required to provide personal data to us but if you do not provide any personal data to us, you may not be able to use our website or we may not be able to authenticate and assist you with your orders, inquiries or requests, and we generally will not be able to provide you with our products and services.
